

### EMPLOYEE TRAINING TOOLS

#### DAIRY STOCKMANSHIP

Low-stress animal handling can increase milk production and reduce injuries on the farm.

- FACT SHEET
- POSTERS
- VIDEOS

[umash.umn.edu/stockmanship](http://umash.umn.edu/stockmanship)

Available in English and Spanish

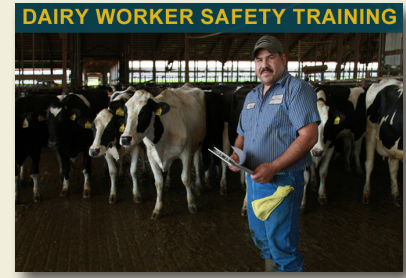

#### NEEDLESTICK PREVENTION

Needlestick injuries can be a serious risk for farm workers and veterinarians. Prevention is key.

- FACT SHEETS
- VIDEOS
