

BEAT THE HEAT

www.nasdonline.org

Launch Week June 12 - 16, 2017

A Preparedness Campaign for Ag: farming, fishing, and forestry

*and through
the summer!*

Join the launch of the Summer 2017 Beat the Heat campaign to prevent heat illness and deaths in agriculture, and learn critical information for farming, fishing, and forestry industries.

Follow social media for tips and resources on these daily themes:
