

WORKPLACE HARASSMENT:

ENSURING RESPECT, COMBATING HARASSMENT AND IMPROVING ORGANIZATIONAL PERFORMANCE

Fran Sepler's work focuses on civility and respect as the core tool for prevention of harassment, and how to create a culture of safety, respect and fairness in diverse workplaces. Her talk will look at bullying and uncivil behavior as corrosive, problematic and precursors to gendered harassment.

Ms. Sepler is best known for her pioneering work in harassment prevention and workplace investigations. She has provided anti-harassment, anti-bullying and implicit bias training for thousands of organizations. She is working on developing world class standards for organizations to develop their "fairness quotients."
