

Welcome to the RF-DASH newsletter! Every quarter we will be sending out a newsletter welcoming all of our new comers to the group, as well as, showing new and exciting information in our combined efforts of making agriculture safer.

Newsletter Highlights

- Mental Health First Aid For Rural Wisconsin training
- RF-DASH appears in AGRI-VIEW and Progressive Dairyman
- Social Network Analysis Interviews

• Elbridge, NY Training Participants

- *Names are continuing to be added as the contact directory is

being built.

- **Menomonee, WI Training Participants**
 - *Names are continuing to be added as the contact directory is being built.

We are working on putting the contact directory together. It will be up and running soon!

For contact information on any of the above Farm Safety Analysts, click on the button below for the University of Minnesota RF-DASH contact directory page.

Contact Directory Coming Soon!

If you would like to be removed from the contact directory, please e-mail RFDASH@marshfieldresearch.org.

Farm MAPPER

This web tool allows for digital maps of farming operations to provide emergency responders on-site information about hazards and resources. The goal is to expedite responses to farm emergencies and protect responders who may be unfamiliar with an individual farms layout.

[Click Here For More Info](#)

SaferFarm.org

SaferFarm.org is an ever-evolving online tool. Its development is led by the National Farm Medicine Center with the purpose of providing first-hand information about hazards, a process for evaluating hazards, and recommendations on correcting hazards.

Mental Health First Aid
For rural Wisconsin

[Click Here For Mental Health First Aid Registration](#)

The National Farm Medical Center is hosting a Mental Health First Aid course throughout the central Wisconsin area. This 8-hour course teaches you how to identify, understand, respond to signs of mental illnesses and substance abuse

disorders, and much more. All classes are free and lunch/refreshments will be provided. Click on the button above to register online.

Current Training Dates:

- **March 15, 2019**
 - Marathon County Extension office, Wausau, WI -- 9 am – 5 pm
- **March 21, 2019**
 - Neillsville Legion, Neillsville, WI -- 9 am – 5 pm

Extra! Extra! Read All About It!

The RF-DASH program has been featured in the February 21, 2019 AGRI-VIEW issue! To read the article, click on the image to the left.

[Click Here To Read More!](#)

RF-DASH has a four part series articles written by Casper Bendixsen and Kathrine Barnes in *Progressive Dairyman*. It discusses what RF-DASH is all about, and how it is helping both farmers and firefighters/EMS to increase safety in agriculture.

- “Farm First Aid – Preparing for Tough Situations,” *Progressive Dairyman*, pages 60-61, January 18, 2018
- “Step One in Farm Safety: Recognize and Record the Hazards,” *Progressive Dairyman*, page 43, November 7, 2017
- “Use Farm MAPPERS to assist, protect, prepare emergency responders,”

- "Rural firefighters delivering agricultural safety and health," *Progressive Dairyman*, pages 42-43, October 1, 2017

The RF-DASH Team is Needing Your Participation!

The RF-DASH team is conducting interviews with RF-DASH trainers. We will be reaching out to you to schedule a time to complete the social network analysis survey. No matter your level of involvement with the project, we still want to hear from you! It shouldn't take anymore than an hour of your time. We will be having in-person and phone interviews.

Thanks!

Contact:
