

FARM SAFETY CHECK

STOP-THINK-ACT CHECKLIST

STOP-THINK-ACT is a simple, yet powerful safety tool that encourages everyone on the farm to consider the task or chore at hand, to ask themselves how their own actions could contribute to a safe and productive outcome and stop if it can't be done safely.

You and/or your employee(s) can use this form to complete safety checks on your farm. Use the form below to list additional safety checks you think are important when inspecting your farm. Keep the completed forms for follow-up, future reference and inspections. Additional copies of this form can be downloaded at:

<http://umash.umn.edu/farm-safety-check-stop-think-act>

Before and during a task...

	Potential Hazard	Check	Date Corrected or Notes
	What could go wrong?	<input type="checkbox"/>	
	How bad could it be?	<input type="checkbox"/>	
	Has anything changed?	<input type="checkbox"/>	
	Do I clearly understand the task?	<input type="checkbox"/>	
	Am I physically and mentally ready?	<input type="checkbox"/>	
	Do I have the right tools and equipment?	<input type="checkbox"/>	
	Make it safe!	<input type="checkbox"/>	
	Use the right tools!	<input type="checkbox"/>	
	Follow the proper procedures!	<input type="checkbox"/>	
	Reduce risks!	<input type="checkbox"/>	

Stop if it can't be done safely!

Name of person completing safety check: _____ Date completed: ___/___/___
