

Respirator Fit Test Train the Trainer & Worker Protection Standard Workshops

April 19 - Country Inn & Suites, 1900 Premier Dr, Mankato, MN 56001

April 20 - Willmar Conference Center, 240 23rd St SE, Willmar, MN 56201

April 21 - Bigwood Event Center, 925 Western Ave, Fergus Falls, MN 56537

Workshops provided and supported by:

- ◇ UMN Pesticide Safety & Environmental Education Program
- ◇ Ag Health Safety Alliance
- ◇ Upper Midwest Agricultural Safety and Health Center (UMASH)
- ◇ Minnesota Department of Agriculture

Each location will have the identical sessions. There will be separate registrations for each session. Participants can attend one or both sessions based on their needs.

Session 1: Respirator Fit Testing-Train the Trainer (class size is limited for this session)

This workshop is for anyone interested in being trained to offer and conduct respirator fit-testing services to pesticide applicators or workers in agricultural or other pesticide related job functions. All participants will receive a completion certificate, resources and respirator fit test guide.

Free respirator fit-testing kits (\$199 value) will be given to the first 50 organizations who register for Session 1 or the combined Sessions 1 & 2. (limit 1 kit per organization)

Session 2: Worker Protection Standard (WPS)

This workshop is for anyone who works in agriculture as a producer, commercial or noncommercial applicator, contract agricultural worker employer or anyone else interested in the Worker Protection Standard.

Session 1-only: \$75

Session 2-only: \$30

Combined sessions 1 & 2: \$100 (includes lunch)

Pre-registration is required: z.umn.edu/psee
