

Upper Midwest Agricultural Safety and Health Center

Become a Farm Safety Champion

Be a voice for farm safety in your community. Help us improve the safety and health of farmers, agricultural workers and farm families by sharing farm safety education and training resources available through **UMASH** and the **U.S. Agricultural Safety and Health Centers**.

How to get started:

- ✓ Our resources are free and available on-line and can be easily shared via email and social media.
- ✓ Share our resources in newsletters or articles that reach agricultural memberships or audiences.
- ✓ Connect with us on Facebook (*umashcenter*) and Twitter (*@umash_umn*) to share practical tips, video links and safety reminders.
- ✓ Join the movement to #KeepFarmsSafe and share your own safety messages.

VISIT **UMASH.UMN.EDU** FOR RESOURCES ON:

- » Farm Safety Checklists
- » Employee training resources on:
 - » Animal Handling
 - » Needlestick Prevention
 - » Immigrant Worker Safety Training
 - » Agritourism: Keeping visitors safe on the farm

FARM SAFETY
CHECK 

Visit the **U.S. Ag Centers YouTube channel** for more farm safety resources.
