

Tell a story,
Save a life.

TELLING THE STORY PROJECT

Raising *farm safety awareness*
through *personal stories*

Telling your story can help make a
difference in farm safety culture.

.....
A collaborative project of the *U.S. Agricultural Safety
and Health Centers* serving the Midwest region.

www.tellingthestoryproject.org

*The best agricultural safety
videos are just a click away!*

The **U.S. Ag Centers YouTube Channel**
is a joint effort by the agricultural safety
and health centers to share educational
and training videos on a variety of ag
health and safety topics.

[YouTube.com/USAgCenters](https://www.youtube.com/USAgCenters)

*The U.S. Agricultural Safety and Health Centers
are funded by the National Institute for
Occupational Safety and Health (NIOSH).*

Revised Jan 2019

PROTECT YOUR FARM

*FREE educational and
training resources to
prevent injury and illness
on the farm*
