30	 CHANGING the CLIMATE of worker health and safety 2023 NORA Online Symposium			Don't miss the NORA Online Symposium! April 27 @ 12pm <a href="http://umash.umn.edu/2023-nora">umash.umn.edu/2023-nora</a>		THIS MONTH: Spring planting season is here, no foolin'! With so much going on, it's important to prioritize your physical health and safety. Use this month's resources to protect your eyes and ears, stay hydrated and nourished, and use ergonomic strategies to protect your back while lifting and driving. <i>Happy and safe planting!</i>
