29	30	31  SAFETY ISN'T SCARY! Fall is a dangerous season on the farm, but with preparation, you can prevent injuries and illness. Visit umash.umn.edu for farm safety treats - no tricks!	THIS MONTH: October is Fire Prevention Month. UMASH has free resources to help you to be prepared. Explore farm safety checklists on preventing building and field fires, emergency preparedness, and electrical safety. Also this month, don't forget to take care of your mental and physical health, and prepare for fall visitors on the farm!
