## NOVEMBER - Share the Road: Roadway Safety

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p><b>THIS MONTH:</b> The majority of vehicle fatalities take place on rural roads, with speed being a significant contributor. Fast vehicles and slow farm equipment on narrow roads can be a deadly combination. Whether you're operating the equipment or sharing the road with it, safety is a priority! Slow down and be alert, obey traffic laws, give each other room, and use signs and proper lighting on farm equipment to make it highly visible.</p>			1	2  <b>WEBINAR:</b> Introduction to Traffic Safety Culture 1:00 PM Central	3  <b>FARM SAFETY CHECK: ROADWAY SAFETY</b>	4  <i>Time to "fall back"!</i> <b>DAYLIGHT SAVING TIME ENDS</b>
