NATIONAL PLAYGROUND SAFETY WEEK						
28  WORLD IMMUNIZATION WEEK April 24-30	29	30 Coming up May 2... SUSAN GOODWIN GERBERICH SYMPOSIUM 	<p><b>THIS MONTH:</b> Spring planting season is here. Spring is one of the busiest and most time-sensitive seasons of the year for farmers. Don't let injuries and illnesses slow you down. Always wear personal protective equipment (PPE) that's right for the job. Use this month's resources to learn about what PPE you should use and how it can protect you from chemical exposures, loud noise, and viruses (like avian influenza). <i>Happy and safe planting!</i></p>
