THIS MONTH: June is here and it marks the start of *the season for farms, fairs, and fun!* Welcoming guests to your farm and bringing livestock to the fair is a wonderful way to educate the community about agriculture and even earn extra income. Help keep visitors safe and healthy using **UMASH's Agritourism resources** - these best practices checklists, training guides, videos, and posters can help you prepare and create an enjoyable and safe experience for guests on the farm.
