Whether you are an ag educator, parent, grandparent, or anyone else caring for children on the farm, use these UMASH resources to teach the future of agriculture about farm safety. Explore lesson plans, activity ideas, and informative videos to teach youth about farm vehicle safety, ATV safety, animal handling, and more. And don't forget to mark your calendar for September 15th – the start of National Farm Safety and Health Week! <i>Let's work together to keep youth safe!</i></p>
