29	30	<p>31 HAPPY NEW YEAR!</p> 	<p><b>THIS MONTH:</b> As temperatures drop, it's important to make sure you and your farm are winter-ready. Watch out for hidden ice under the snow – slips, trips, and falls in freezing conditions can lead to serious injuries, making it difficult to get up and find warmth. De-ice and grit walkways, work in pairs, and dress in layers to stay warm, safe and healthy throughout the winter season.</p>
