JULY - *Feelin' the heat?* Stay cool in the summer sun

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
THIS MONTH: While soaking in the sun can feel great, too much exposure can be harmful. Help keep yourself, workers, and family safe in the summer sun. Stay hydrated, reapply sunscreen regularly, take breaks in shaded areas, and watch for signs of heat stress.		1 <i>DID YOU KNOW?</i> July is BIPOC Mental Health Month and UV Safety Awareness Month	2	3 NATIONAL STAY OUT OF THE SUN DAY 	4	5
