UMASH Farm Safety Annual Planning

OCTOBER - Prevent Fires Before They Start

October is National Fire Prevention Month. Take time this month to safeguard your farm against fire hazards. Drying crops and cooler fall weather create prime conditions for fire risk to rise. Avoid costly surprises and life-threatening risks by using these UMASH tools to keep your farm safe and fire-free.

RESOURCES THIS MONTH

FARM SAFETY CHECK: PREVENTING BUILDING FIRES

FARM SAFETY CHECK: PREVENTING FIELD FIRES

FARM SAFETY CHECK: EMERGENCY PREPAREDNESS
